Forecast for Monday 04 Oct 2021

Weather: A bright day across much of the area with occasional sunny spells and a scattering of heavy showers, these wintry at times over the highest summits. However, around Ben Alder and the far west it will be mostly cloudy with more in the way of showers. The showers well scattered in the evening with dry and clear spells.

Chance of cloud free mountain/hill tops above 800m: 70%

Visibility: Mostly good or very good lower down, but occasionally poor or very poor at height. Occasional or extensive cloud base 700 to 1000m, the most extensive cloud expected in the west.
